Mr. William J. Casey

Dear Mr. Casey:

During the period September 30 through October 5, 1984, 90 officers from our Foreign Area Officer (FAO) Course and from the School of International Studies faculty will be in Washington on our semiannual Interagency Field Trip. This trip, an integral part of the FAO educational program, is designed to acquaint the officers and their spouses with operations of selected activities having an interface with the FAO specialty.

For your information, a fact sheet about the FAO Course, the class profile, and an itinerary for our trip are enclosed. Along with our official visits, an informal cocktail party has been planned at the Fort Myer Officers' Club on October 4th, from 7:00 p.m. to 9:00 p.m. We will be honored if you and your wife can join the students and faculty, along with their spouses and other Washington area friends of the Special Warfare Center.

Preliminary coordination has been made with [redacted] STAT
Special Programs Officer, Office of Training, to arrange our visit to the Central Intelligence Agency from 9:00 a.m. to 4:00 p.m. on October 2, 1984. Copies of security clearance rosters and a list of questions/topics for discussion with regional specialists will be provided to [redacted] STAT

We are grateful for your continued support of the Center's educational mission and look forward to seeing you during the upcoming Washington trip.

Respectfully,
